WORKING EXPERIENCE

Assignments in Natural Resources Management and Conservation

- ▣ Natural Forestry Expert and Facilitator for the preparation of an integrated Management Plan for the Western Buffer Zone of Selous Game Reserve Management Project for Wildlife Division, Ministry of Natural Resources and Tourism, Dar es Salaam, 2001-2003
- ▣ Participant in a Pilot Scheme initiation for the implementation of a Community based Watershed Management Project for Usangu Plains and Catchments in Mbeya Region for UNDP/Rufiji Basin Development Authority, RUBADA, 1998
- ▣ Forestry Consultant and team member for the preparation of a Community based Watershed Management Programme for Usangu Plains and Catchments-Mbeya region, for UNDP/RUBADA, 1997
- ▣ Forestry Consultant and team member for the preparation of 3 years Community based Natural Resources Management Plan for Kilosa District Management Plan for Irish Aid/Kilosa District Council, under the Kilosa Soil and Water Conservation Project-1997/98
- ▣ Pilot Wood fuel Project for Morogoro Municipal Council: Preparation of feasibility study for the establishment of pilot wood fuel plantation. The assignment involved the preparation of a management plan for the establishment if woodlots, harvesting

and production of charcoal for use by the municipal.

▣ Team Member for the preparation of an Afforestation Management Plan for Kagera Region for Ngono Multipurpose Project, Bukoba. The assignment involved the preparation of individual district afforestation management plans including determination of areas involved, estimation of project inputs i.e. recommendations of appropriate tree species, selection of nursery sites, planning and tending techniques, labour, equipment and materials.

▣ Afforestation Programme for Malihai Clubs of Tanzania, for the Royal Danish Embassy. The assignment involved the preparation of an afforestation programme for selected Malihai Clubs (schools and educational institutions) in Northern Tanzania. The schemes were to be implemented on pilot basis in schools by establishing nurseries for appropriate tree/fruit species for planting in the schools compounds and neighbouring villages.

▣ Forestry expert for the conservation and development project in West Usambara, South and North Pare mountains for the German Agency for Technical Cooperation-GTZ. The assignment involved the preparation of a pre-feasibility study, by gathering and analysing baseline data relating to forestry, forest activities in the areas with reference to the Tanzania Forest Action Plan-TFAP

▣ Participation in initiation of a pilot Agro forestry project in North Pare mountains for the German Agency for the Technical Cooperation-GTZ. The assignment involved the identification of villages/communities where the pilot schemes would be established.

▣ Team member in the East Usambara Catchment Forest Project assessment study for the Forestry and Beekeeping Division-FBD and the Finnish International Development Agency – FINNIDA. The assignment involved the reconnaissance and assessment of the existing condition of the forests, effects caused by harvesting of trees for industrial use and making recommendations on courses of action to restore the equilibrium in the ecosystem for conservation purposes.

▣ Team member in the preparation of a Pilot Wood fuel Project for Ruvu North Forest Reserve-Coast Region, for forestry and beekeeping division. The assignment involved the preparation of a feasibility study for the establishment and management of a wood fuel plantation and eventual harvesting schedules.

▣ Team member in the preparation of a pilot project for sustainable natural resources management in the Uluguru mountains for Uluguru Mountains Agricultural Development Project. The assignment involved the design of joint forest management JFM, model that could be tested in selected villages. The model management system would be replicated in other villages at the successful completion of the pilot phase.

▣ Team member in an environmental Impact assessment/Socio-Economic Impact Assessment for establishment of afforestation project in Uchindile and Lugala villages (Kilombero District) for Escarpment Forestry Company Ltd.

Assignments in Forest and Allied Industries

▣ National Consultant for a study on the review of existing and future prospects of the mechanical and chemical industries in Tanzania.
